

Innovation in affordable, quality  
theatre consumables

## Innovation in affordable, quality theatre consumables

At Toffeln we're well known for our high quality hospital footwear which ensures busy staff are safe and comfortable right round the clock. Welcome now to our collection of technically advanced theatre consumables based on the same proven philosophy. Each line is specially designed to make procedures as efficient and cost-effective as possible.

### **Instock service**

---

All listed products are held at our Bristol warehouse. Our rapid despatch system ensures that your orders are turned around in the shortest possible time.

### **Quality guarantee**

---

Constantly monitored for quality, all products are made to the highest standards and guaranteed fit for purpose, as well as CE marked and latex-free. Toffeln is an ISO 9001 registered company.

### **Best value**

---

We're so confident we offer the best value for money we'll be happy to re-confirm this at any time.

**We look forward to the opportunity to quote for your requirements.**
